Summary disclosures are, under certain circumstances, required of treating physicians. *Farris v. Intel Corp.*, 493 F. Failure to file motion within 21 days constitutes acceptance of the objection.).

Proposed Pretrial Order due from Defendant to
Court by⁵:

December 23, 2019

Discovery shall not be reopened, nor shall case management deadlines be modified, except by an order of the Court upon a showing of good cause. Discovery must be completed on or before the discovery deadline. Accordingly, service of written discovery is timely only if the responses are due prior to the discovery deadline. A notice to take deposition is timely only if the deposition takes place prior to the discovery deadline. The pendency of dispositive motions does not stay discovery.

IT IS SO ORDERED.

STEPHAN M. VIDMAR
United States Magistrate Judge

⁵ The Proposed Pretrial Order must provide that no witnesses, except rebuttal witnesses whose testimony cannot be anticipated, will be permitted to testify unless the name of the witness is furnished to the Court and opposing counsel no later than 30 days prior to the time set for trial. Any exceptions thereto must be upon order of the Court for good cause shown.
